HEALTH, EDUCATION & MUNICIPAL ADMINISTRATION DEPT.

The Municipal Council, Mangalore, with an object of getting surface dressed as many roads as possible before the close of the financial year 1954--55, resolved that the work should be executed departmentally. In accordance with the resolution of the Council the execution of work of surface dressing of roads was taken up departmentally. During the course of the execution of work the Mixer and tar boiler went out of order on 9th February 1955. As there were no other competent workshops to undertake the repairs to the Mixer and tar boiler and also in view of the urgency for speedy execution of work of surface dressing, the work of repairs to the Mixer and tar boiler was entrusted to the St.Joseph's Asylum Industrial Workshops. The total cost of the repairs amounted to Rs.1153-12-0. The cost of repairs exceeding Rs 1000/- was not anticipated when the work was originally entrusted to them. It was only after dismantling in the workshop, it was found that some parts have to be replaced.

Boiler

Under the circumstances explained above the council in its resolution No. 1527 dated the 8th October 1955 has approved the repairs got done without inviting tenders. A copy of the resolution is enclosed.

It is therefore, requested that the Government may be pleased to approve the action of the Municipal council in getting the Mixer and tar boiler repaired at a cost exceeding Rs 1000 without inviting tender as required under the rules. Early orders are solicited.

Commissioner,
Mangalore Municipality.
